# How we built pythonfrederick.org for 4¢ a day

Matt Layman  
Python Frederick  
March 2018

---

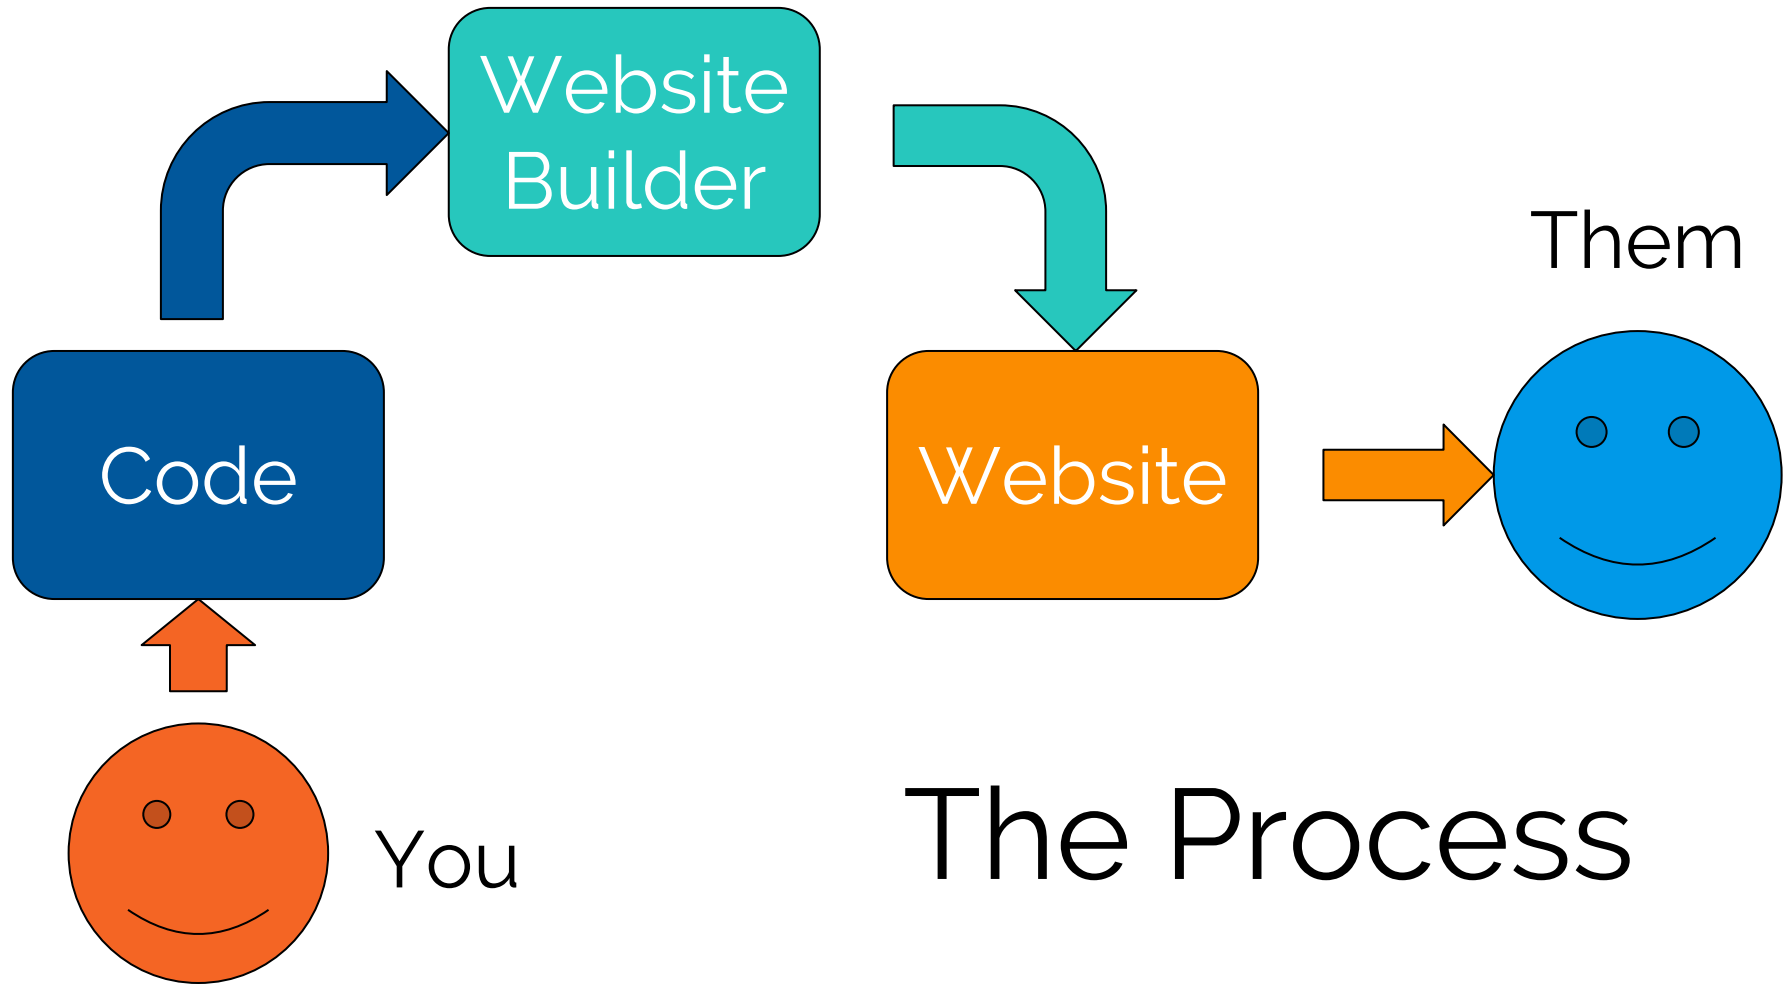

---

---

## Goal of the day

From start to finish, we'll build a high quality website that is publically available on the internet.

---

---

---

## Our toolset

- GitHub
  - Pelican
  - Netlify
  - (Hover)
-

---

# Thanks!
